24	determination, the attorney general may consider whether any of
25	the following apply to the applicant:

39	any state.
40	(6) The applicant has engaged in conduct the consequences of

18	of this chapter for an original registration.
19	(e) An individual who has submitted an application for renewal
20	of a registration or a license in another state, instead of submitting

38	to renew a certificate of registration for conduct that would have
39	justified denial of registration under section 4(b) of this chapter.
